

# Troop 824

Scoutmaster:  
Timothy Kiernan  
Senior Patrol Leader:  
Jacob Jones

## Red Card Trainer Don Jones

Don Jones has given Red Card Training to Troop 824 Scouts for several years. Don is a full time registered nurse at St. Anthony's Hospital. Don Jones is also a Captain in the Missouri Air National Guard.

"Red card training familiarizes the boys with basic CPR and what to do with a health emergency such as a suspected stroke or heart attack. They are not certified CPR, but it gives the boys a knowledge of that. They learn how to protect a sick person and contact further help. Some of these boys could keep a person alive even though they may not be certified.

# Fishing

## Camping

By Brock Steiger

One of my favorite things about Boy Scouts is camping. I love camping because your patrol prepares their own meals and because you meet a lot of new people. I have learned a lot of first aid and survival skills. I've enjoyed going to the Rock Tower and learning how to use different ways to climb. I've had a lot of experience and know how to be prepared!

Brock received a firestarter for writing this article for the newsletter. Brock's Mom (Jill) has been assisting in Red Card training for summer camp.

**Fishing Derby** offered memories of a lifetime. Sleeping in a barn added novelty to the weekend and the Fish Fry was tasty!

Don Jones and his wife Karen (Also an RN) have been married almost nine years. They have three boys Zack, Jacob and Michael.

**Fishing sure does  
make you hungry :)**

## **Where Are They Now?**

By Adam Fay, Scribe

Tim Kinmartin Jr, Eagle Scout

Tim is attending Missouri State College in Springfield, Missouri. He is in his second year. Tim is in ROTC and Army National Guard. This summer his plans are to do a RA program for one month. His Army duty will send him to the Panama Canal. He is in the MP's as a Cadet. What he misses most about Scouts is camping and reading his newspaper.

## **Where Are They Now?**

Several of our college bound scouts may be seen at the summer troop meetings held at Suson Park.

## **Where Are They Now?**

by Mark Messler

Jeff Messler

Jeff is still fishing. He stayed in the barn over a dozen years ago. Here is a picture of one of his fish from this year!
