Mr. Boy Scout aka Tom Zeuner

Tom Zeuner is "The ideal picture of a Boy Scout Counselor" ..commented Don Jones, red card trainer.

Most boys know Mr. Zeuner as the fishing pro. He has organized the annual fishing camp and service project for the last 17 years. Several years he has caught the largest bass at the derby and at S-F summer camp.

Tom & Gail Zeuner have two boys, Tim & Steve, who have grown through the ranks of scouting and are now counselors for the troop.

Did you ever wonder where all the help at camp comes from. As Camping Chairman for Gravois Trails it has been Tom's task to seek out volunteers for the Camprees and Pacaos. Thanks Tom!!

Merit Badges

Merit Badges are an acknowledgement of a boys work in mastering a topic. Topics can be fun things like fishin, rocketry or computers or may be life skills such as Citizenship in the Community and First Aid. Life Skills merit badges are usually the required badges for Eagle Scout. As you progress through scouting you should be taking some Eagle Merit badges along the way.

The following article was written by one of our scouts working on the communication merit badge.

St. Louis by Daniel Hantak
There are many cultures in our community as well as ethnic groups. We have many different people with backgrounds from Asian, German, Italian, French, African American, and all sorts. This is one of the things that makes our community great. The history of our community is pretty simple. Our city was named after a french man named King Louis, thus the name St. Louis. Some say our city was founded by a fourteen year old boy. The best feature is the Arch and the city. The popular places to meet are at schools or dances. As you can see our community is a rich place and somewhat unexpected. Dan was entered in to a drawing for his submission to the newsletter. He won the drawing and received a magnesium fire starter to spark his career as a scout and a communicator.
